Summary

- Computer Science student at GISMA University of Applied Sciences with a strong interest in technology, programming, and web development. Currently building foundational skills in HTML, CSS, JavaScript, Linux, GitHub, and LaTeX through academic coursework and personal projects. Eager to learn, grow, and gain practical experience while developing a strong foundation in software development and computer science.

EDUCATION

- **BSc Computer Science** (2026-2029)
GISMA University of Applied Sciences, Berlin, Germany
Current Student
- **Higher Secondary Education (Bio-Maths)** (2022–2024)
Kerala State Board, India

SKILLS

- **Technical Skills**
HTML, CSS, Basic Javascript, Python (Beginner), Git, Github, Linux, LaTeX, Touch Typing

0.1 PROJECTS

- **Personal Portfolio Website**

Built a responsive personal portfolio website using HTML, CSS and JavaScript. Showcases my profile, technical skills, projects and contact information. Hosted using GitHub Pages.

Live Demo — - GitHub

- **Scientific Calculator**

Developed a command-line scientific calculator using Python. Implemented 15 mathematical operations including addition, subtraction, multiplication, division, power, square root, trigonometric functions, logarithms, factorial, percentage, and rounding. Used loops, conditional statements, user input, and the Python `math` module to create an interactive calculator.

GitHub

EXPERIENCE

- **Warehouse Associate, DHL**
Ludwigsfelde, Germany

Sep 2025 – Dec 2025

Global Certifications

- German Language Certificate (A2)
- 2024

Languages

- English (Fluent)
- German (A2)
- Malayalam (Native)
